## 2021-2022

Upcoming Events from  
the Career Management  
Committee

# Save the Date

**September 1, 2021**

## **The Four Stages Model**

**Guest Speakers: Garrett Grega**

*While simple in construct, the “Four Stages Model” provides a powerful tool in assessing not only your personal development but the development of your team. The model describes four different stages of career development. Each stage is independent of years of experience or status within a company. Learn how to use these concepts to improve your own career progression and how to identify the gaps in your team’s training.*

**October 6, 2021**

## **Navigating the New Hire Landscape**

**Guest Speakers: John Baldini and the Humareso Panel**

*Are you looking for a new job? The Great Resignation is upon us. Or is it?*

*Find out how to navigate this ever-changing COVID-19, Labor-Shortage, Unemployment-Influenced landscape.*

*This talented panel will touch upon:*

*Remote Work/Hybrid/Flexible Work opportunities, options and fallacies*

*Job transitions – timing, expectations and worth*

*Video interviewing considerations*

**November 3, 2021**

## **How to Get Noticed**

**Guest Speaker Marilyn Stika, MSOD, CMF**

*This presentation will focus on strategies to stand out in the job search process and will cover resume strategies, self-marketing, likeability, and ways of being, to increase the probability of being selected.*

**December 1, 2021**

## **Search 101: Quicken Your Job Research**

**Guest Speaker Monica Farrow**

*It can be overwhelming to find what you need in a search. Do you know how to make your search engine work for you? Learn some tips and tricks to search better and find what you need faster to reduce wasted time as you conduct your job research!*

All meetings will be held

Virtual via Zoom

5:30p-6:30p

**January 5, 2022**

## **Rock Your Job Search**

**Guest Speaker Bobbie Foedisch**

*With 700+M professionals on LinkedIn, you will learn how to stand out from the crowd simply by being your real self, engaging as the professional you are in real life, and maximizing opportunity with the use of the LinkedIn platform. So you have your networking profile, your resume, your target list, and the network you have worked so hard to build right in your back pocket. Now what? You can continue to do things as they have always been done, or you can adapt to this world of digital integration and communication advancement. You will learn how to leverage the LinkedIn platform in a way that utilizes your relationships to their fullest, opening doors to opportunities you don't even realize are right at your fingertips. Your future is in your hands. Take control of your path!*

**February 2, 2022**

## **Résumé Secrets: Create a High Impact Résumé**

**Guest Speaker Diane Irwin**

*Learn how to create a high impact résumé to get results. What should you focus on? Which formats are best? Should you have more than one? How can you ensure that it is ATS-optimized?*

**March 2, 2022**

## **Knockout Networking**

**Guest Speaker Michael Goldberg**

*HR professionals absolutely need a “fight plan” to stay better connected, be more organized, and continue to develop relationships in an ever-changing virtual world. Networking, scheduling appointments, developing relationships, generating referrals, making important connections, and being in massive service are just as important as ever! In this session, you will learn about KO approaches to making more and better connections, leveraging virtual meetings, and taking a more organized approach to managing your time and being more focused. The time to throw your hat in the ring is NOW!*

**April 7, 2022**

## **Restrictive Covenants and Non-Compete Agreements and Illegal Interview Questions**

**How HR Professionals Should Navigate Them**

**Guest Speaker Stephen Trimboli**

*HR professionals frequently advise on restrictive covenants and non-compete agreements. But have you considered how such agreements may affect your professional development and career advancement when you are considering alternative career opportunities?*

**June 1, 2022**

## **Mining Golden Nuggets**

**Guest Speaker CMG Committee**

*Join us for an interactive panel discussion where we share tips and tricks that make a difference in the Job search.*
